

The Ashley School Academy Trust Primary PE Funding Evidence - Autumn Term 2014

The following is an update of the impact in TAS of the extra Primary PE funding, taking into account the suggestions made in the Ofsted “Inspecting primary school PE and school sport – new funding document.

Staff CPD

Athletics

RC has attended a Primary Athletics Course for KS1 and 2. We have purchased two excellent resources by Val Sabin, which will enhance the Athletics programme we currently run in the summer term, especially taking into account the physical ability of our new pupil intake.

Some of the activities we have been able to adapt to use as warm up / skills in our fundamental movement lessons.

Orienteering- New Initiative for KS2

Myself and TD attended an orienteering training day. It was an excellent course and very much geared to KS1/2 however for our pupils the materials could easily be adapted to use with KS3 and 4 which was an added bonus. As part of the payment we have had the school re mapped to take into account the new buildings and have a new set of markers to go up around the school. There was a wealth of resources given on a pen drive which I have printed and had laminated ready to use. The activities can be well matched to the varying levels of physical ability and fitness of our pupils.

Tag Rugby

RC also attended the Lowestoft and Beccles Schools partnership tag Rugby competition, to see the level of play, the rules, pitch size etc they used. From this we established that the A competitions would be too high a skill for our pupils. However we were able to implement some of the rules they played into our tag rugby lessons. We intend to invite Dave Tieuti a former Tonga International rugby and tag rugby coach further enhance staffs' subject knowledge and delivery of tag rugby to Primary children. We could look into doing this as a joint venture, pooling funding with some of our local partner primary schools.

Boccia

RC, JD and TJ all attended the Boccia England Young Officials training day alongside the KS4 Sports Leaders. We are currently using some of the new activities learnt in our primary PE lessons. There would be an opportunity following on from the successful football lunch time club for JD or RC to head up a primary Boccia lunch time club.

Suffolk PE conference

JM attended the Suffolk PE conference to keep abreast of latest developments.

Smash Up Badminton – New initiative

Although the training for this new initiative was focused on year 9 upwards, many of the activities and the specialised equipment can be used and adapted to use with our Primary children. Both teaching, LSA and residential staff had access to this training, so it can be used in lessons, lunch time clubs and after school.

Outside Coaches.

NCFC Football Coaching

Following on from the GPL we are delighted to say that we have Coach Paul Banister in to do some football coaching on a Fridays through to the end of January. He is running a special Key Stage 2 lunch time club to which 20 pupils from across the key stage have been invited.

The sessions are going very well and the youngsters are getting a great deal from his vast experience as a coach working with children with MLD. They will continue through to the end of January.

Paul has spotted Courtney Hemmings as being Gifted and Talented. From this Courtney will be selected to play for the Girls team at the second round of the NCFC Aviva ability Counts Grand Prix League in February.

Target - to research into a girls club that Courtney and Mia could join.

FA Skills Coaching

We are also very lucky to have Matty Potter from the Suffolk FA Skills team in doing some coaching with the year 6 class. As part of our Gifted and talented programme, 2 talented children from year 5 and **one** from year 4 have been invited to join the session. Matty has been very impressed with the ability of the year 6 class and finds the ability very comparable to some of his mainstream year 6 classes.

We hope that this coaching will give our youngsters a good grounding of the basic skills and team play which they can use at the Emma Holloway under 12's tournament in March.

Youngsters playing in Level 1 Intra School Competitions.

Competitions

Panathlon Swimming Gala

A team travelled to this event held at The Hewitt School Norwich, which was the first of its kind for this area. Mia Woolbright year 6 was included in the team. Following our gifted and talented programme she has now represented school at Level 2 and 3 competitions in Athletics, Cross Country, Gymnastics, Skittleball and Football.

Out Of Hours Participation

Attendance at Out Of Hours clubs has greatly increased, see table below

2012-2013	Number in class	OOH attendance	%	2013-2014	Number in class	OOH attendance	%	2014-2015	Number in class	OOH attendance	%
Year 3	4	0		Year 3	8	0	0	Year 3	5	2	40
Year 4	7	0		Year 4	5	0	0	Year 4	9	4	44
Year 5	12	2		Year 5	9	0	0	Year 5	9	5	55
Year 6	13	0		Year 6	13	7	63	Year 6	11	10	91
Totals											
2012 2013	36	2	0.05%	2013 2014	35	7	20%	2014 2015	34	21	61.8%

Forthcoming activities for Spring term 2015

- 14th Jan U13's Indoor Athletics – EPA 3.30-6.00 (to be discussed with CM residence)
- 16th Jan NCFC coaching cont. – KS2 lunch club
- 23rd Jan NCFC coaching cont. – KS2 lunch club
